## Heroes of Agriculture

**Introduction:**

This web quest gives students the opportunity to learn about some of the people who made significant contributions to agriculture. These contributions have helped to make the United States the world leader in food production. They have also contributed to the U.S. having the most abundant, safest, most affordable food supply in the world.

**Learners:**

This lesson is targeted to students in grades 6 and 8.

**Standards:**

TEKS Addressed:

Social Studies --- 6.20A,B; 6.21A,B,C,E; 22B,C,D,E,F

8.27A,C; 28A; 29A,B,C,I; 30A,B,C,D

**Process:**

The process is laid out clearly on the student page. Additional suggestions for this Web Quest lesson would be to select the groups and make assignments prior to beginning the lesson. If you have groups of fewer than five members you may want to divide the questions differently in the Process step.

**Resources:**

The resources are provided on the student page.
